

## Adapting Curriculum and Environments to Meet Individual Needs

How do you design an environment and curriculum to successfully foster the development of all young children?

This workshop will help you to ...

- Gain a better understanding of differentiated teaching, strategies for individual learning experiences and contextual planning
- Create schedules, routines, transition processes, and adaptations to the learning environments to support young children with disabilities in an inclusive early childhood setting

**Tuesday, April 6, 2010  
7:00 - 9:00 PM**

**Kindercare Learning Center  
520 Lowell Street, Peabody, MA**

**Fee: \$25**

*This workshop is part of our comprehensive special needs training topics*
