# Different Children, Different Needs

featuring Jeanine Fitzgerald

Join Jeanine Fitzgerald in  
specifically designed workshops for educators

As a certified Human Behavior Specialist, Jeanine has more than 30 years of experience and specializes in research-based strategies that help teachers implement positive interventions in “real world settings.”

*“An amazing presenter...really motivates me to become a better educator.”*

- Explore the unique pattern of influences on a child’s behavior and development
- Learn about the “dance of interaction” between a child and adult
- Recognize and assess children’s temperaments in relation to your own
- Discover how to work effectively and positively with each child in your program
