

Helping School-Age Children to Cooperate and Succeed by Understanding Individual Differences

Explore a broad framework for comprehensively and compassionately understanding children, particularly those who may be baffling or frustrating in their behavior, interactions and/or approaches to learning. Examine approaches and specific strategies for dealing with these children, based on an understanding of individual temperaments and learning styles.

Monday, June 7, 2010 ~ 7:00 - 9:00 p.m.
