

Infant and Toddler Motor Development

Use position, play and stimulation to assist infants and toddlers to meet their motor milestones!

Explore key experiences, starting before birth, that support the development of muscle groups, sense of balance and movement and body in space awareness.

Gain a better understanding of the forces behind early motor development, as well as strategies to promote it.

Cole-Harrington Children's Center
and Family Childcare System
605 Neponset Street, Canton, MA

Thursday, April 15, 2010
7:00–9:00 PM

Fee: \$25
