Red Flags for Children's Mental Health

It is often difficult to assess emotional and behavioral issues of young children. We will examine distinguishing factors to use when deciding if a child and family should be referred for mental health services, how to make a plan, and what to do next.

Discussion will include:

- * Stressors affecting young children
 - * Fostering resilience
- * What you can put into place at your program to decrease children's vulnerabilities

Wednesday, March 17, 2010
7:00—9:00 PM
Fee: \$25

Cambridge Family YMCA
820 Massachusetts Avenue
Cambridge, MA
