Formerly Parenting Resource Associates

Second Language Acquisition in Young Children

Thursday, December 3, 2009

7:00—9:00 PM

Raising and teaching bilingual children is more and more a reality of both parents and educators today. Examine what research tells us about bilingualism and language delay, and explore both the benefits and challenges of the second language acquisition process. Learn strategies for working with children whose first language is not English that you can implement in your program right away.
