

Team and Program Building: Communicating Effectively with Colleagues

When staff members work together effectively as a team the whole program benefits!

Learn skills for communicating respectfully and assertively with colleagues, and look at the key elements of collaborative teamwork.

Issues to be addressed include:

- understanding** the roles of various team and staff members
- listening** to others
- expressing** yourself effectively
- coping** with criticism
- problem solving** within an early childhood program community.

Tuesday, June 8, 2010 ... 7:00-9:00 p.m.

Fee: \$25
